OFFICE POLICIES FOR SERVICES RENDERED

Updated and to take effect January 1, 2002

In order to insure that you have been informed about our office policies, we would appreciate that you review the following information and sign.

A. GENERAL

- **Confidentiality** – The therapeutic relationship is based on confidentiality. Neither the therapist/supervisor, nor any employee at Center for Solutions in Brief Therapy, Inc. will divulge information about any patient without the patient’s written consent with the following exceptions:
 - When required by the individual’s insurance, the patient having signed a waiver when signing the insurance.
 - Information will be provided to the referring physician, when applicable.
 - When it is felt that the patient is in danger to himself or others.
- The professional patient – therapist relationship will remain so throughout therapy: dual relationships, i.e. friend/therapist, business partner/therapist are not permitted.

B. FEES

- **You will be charged the full amount of \$130.00 for any missed appointments**, unless this office is notified at least 24 hours prior to your set appointment time. This is necessary because there is usually someone waiting to be scheduled, someone who could have used the time slot that was reserved for you. Your insurance company will NOT allow us to bill them for any missed appointments. Therefore, when we do not have the benefit of a 24 hour notice, you will be billed directly for the **entire** amount of the missed appointment and you alone will be responsible for paying this fee.
- If your account were to become past due, the person listed as being financially responsible for the account may be sent to our collection agency. Any account that is over ninety days past due with no payment arrangements will be sent to collections.

C. PAYMENT

- We will bill your insurance company as a courtesy to you. If your insurance company fails to pay for your services, you will be held responsible. We will do our best to **estimate** the amount you owe at the time of the session. This amount, whether it be a deductible, copayment, or full pay is due at the time of service. If you are unsure of your insurance coverage and we are unable to verify your benefits, we will require full payment at the time of your visit until the exact amount of your co-payment is determined. We reserve the right to reschedule your appointment if you do not have your payment.
- If you have coverage with a Health Maintenance Organization (HMO), Paramount, etc., you will be responsible for your necessary co-pay at the time of service, if applicable, providing that you have followed the correct referral procedure in obtaining authorization for these services. If you have not followed the referral procedure, you will be responsible for all charges which are denied by your HMO.
- In the case of divorce, the parent or guardian who is bring the child in for services will be held responsible for payment, regardless of a divorce decree.

Your signature below will indicate your understanding of our policies and your agreement to pay for services rendered. If you have any questions about the above information or any uncertainty regarding insurance coverage, PLEASE don’t hesitate to ask us. We are here to help you.

PSYCHOLOGICAL EVALUATIONS

Thank you for choosing Center for Solutions in Brief Therapy, Inc. for the purpose of psychological evaluation of possible learning disabilities, attention-deficit/hyperactivity disorder, developmental delays, personality/emotional issues, and in some cases, memory problems.

At the Center for Solutions in Brief Therapy, we attempt to be comprehensive and thorough in the assessment of the problem.

The psychological testing typically takes five hours and testing sessions generally last one hour at a time as insurance rarely pays for more than one hour. The testing covers the measurement of intelligence, achievement (reading, math, writing), attention, personality/emotional issues, and sometimes memory.

We will work closely with you regarding co-pays and insurance. After all of the testing is completed, there will be a final meeting with the psychologist, Dr. Marc Dielman. This meeting will discuss the testing results and recommendations. Dr. Dielman then generates a report for the parent, school, and physician. It takes him 2-3 hours to complete this report and a one time charge of \$150 (our hourly session fee) is required for the report to be completed and released. This fee is not paid for by insurance and will need to be paid by the final appointment. We also require that any outstanding balance must be paid in full before your report will be released.

If you have any questions, please feel free to discuss them with our receptionist, Laurie Moser, or any of the therapists doing the testing. Thanks you.

****ATTENTION****

Effective June 1, 2009

Effective June 1, 2009, we will be implementing a statement fee of \$10 per month on any patient accounts with outstanding balances. All copays, deductibles, coinsurance, etc. are due at the time of service.

We are also extending the option for our patients to keep a credit card number on file with our office that is authorized for use if a balance should arise in order to avoid the additional monthly statement charge. This is optional and is not required. If you choose this option, your credit card will be billed automatically at the end of the month for any outstanding balance on your account. As such, you will not incur any statement fees on your account. You may request a summary of your statement at any time from our office.

However, if your insurance processes a claim and this results in a balance due, the statement fee will be added to your account if the balance is not paid by the first of the month or taken care of with a credit card on file. There are no exceptions and this also applies to any accounts with no show charges.

Please be advised that we do require 24 hours notice for canceling an appointment. We have voicemail available 24 hours a day, 7 days a week. You will be charged \$130 for any missed appointment or late cancellation. The statement fee will apply to accounts with no show balances as well.

In order to prevent a statement fee from being added to your account, you will need to either: 1) ensure that you have paid all amounts due at the time of service or 2) keep a credit card on file for any balances you incur.

Any accounts that are sent to collections for nonpayment will also incur a \$25 collection fee.

If you have any questions regarding this policy, please do not hesitate to contact our office. You may also contact our office at any time to place your credit card # on file.

PLEASE CHOOSE ONE OF THE FOLLOWING OPTIONS:

_____ **I will keep a credit card # on file for account balances and will not incur any statement fees. (A separate credit card authorization form will need to be filled out).**

_____ **I do not want to put a credit card on file. I will incur a \$10 monthly statement fee if my account incurs a balance that results in a statement being processed at the beginning of each month.**

I have read the policy above and understand that this is effective as of June 1, 2009. I may change the option elected above at any time by completing a new form.
